------------	--------------------------------	--	---------------------

On January 24, 2022, the Naval Air Station Joint Reserve Base Fort Worth (NAS JRB Fort Worth) Regional Coordination Committee (RCC) updated its bylaws and mission statement. The RCC is asking current voting members, via their respective City Councils, to pass a resolution reaffirming their membership and expressing support for the new mission statement.

The RCC was established to prevent encroachment, promote compatible land use, and expand community outreach regarding the importance of the NAS JRB Fort Worth. The RCC is comprised of local governments (Benbrook, Fort Worth, Lake Worth, River Oaks, Sansom Park, Westworth Village, White Settlement and Tarrant County) located in close proximity to the NAS JRB Fort Worth. The committee's primary role is to review and provide recommendations regarding land use decisions that may affect the mission of the air base.
